It’s a good idea to make a copy of this list and place it on the underside of your child’s trunk lid to aid your son and his counsellor in keeping track of the items.

Miscellaneous Sports & Recreational Equipment

The Camp has an ample supply of equipment for most Camp activities. However, here is a list of items, which could be useful if a camper already owns them.

paddle
baseball glove
swim fin & mask
musical instrument – guitar, etc.
reading material

camera
mountain bike helmet (for 11 yrs. and older)
tennis racket
archery bow
fishing tackle

Avoid sending expensive equipment to camp. Storage is in a tent and there are up to 200 campers at the camp at any one time.
